WE ♥ LOGISTICS™

UPS Mail expertise of UPS-SCS Canada, UPS Mail Innovations provides a seamless means of delivery through low cost mail solutions and pre-payment of all duties and taxes. It's as if your customer has purchased within Canada. A Canadian B2C program provides you with the tool to penetrate that largest of US foreign markets: Canada!

So What's In The Canadian Border Program?

Electronic Customs Clearance – No paper documentation
Innovations – Our Canadian B2B Border Service

What is the Canadian Border Program?

A Business to Consumer (B2C) service that provides an alternative distribution of Your products sold from your US based company to consumers throughout Canada. By leveraging the delivery capabilities of the Canada Post Corporation and the customs clearance required.

- » No C.O.D. collection required for duties or taxes.
- » Coverage – All residential areas including P.O. boxes.
- » Transit times- 3 to 14 business days, based on the final destination.
- » Maximum Package Weight – 70lbs.
- » End - to - End Shipment Tracking
- » Customs preparation and pre-inspection if needed.

Ask your UPS Account Executive how you can take advantage of this great service!
